Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Advisory Action After the Filing of an Appeal Brief	Application No. 10/643,673	Applicant(s) HYON ET AL.
	Examiner /Susan W. Berman/	Art Unit 1796

--The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

The reply filed 18 February 2010 is acknowledged.

1. The reply filed on or after the date of filing of an appeal brief, but prior to a final decision by the Board of Patent Appeals and Interferences, will not be entered because:

- a. The amendment is not limited to canceling claims (where the cancellation does not affect the scope of any other pending claims) or rewriting dependent claims into independent form (no limitation of a dependent claim can be excluded in rewriting that claim). See 37 CFR 41.33(b) and (c).
- b. The affidavit or other evidence is not timely filed before the filing of an appeal brief. See 37 CFR 41.33(d)(2).

2. The reply is not entered because it was not filed within the two month time period set forth in 37 CFR 41.39(b), 41.50(a)(2), or 41.50(b) (whichever is appropriate). Extensions of time under 37 CFR 1.136(a) are not available.

Note: This paragraph is for a reply filed in response to one of the following: (a) an examiner's answer that includes a new ground of rejection (37 CFR 41.39(a)(2)); (b) a supplemental examiner's answer written in response to a remand by the Board of Patent Appeals and Interferences for further consideration of rejection (37 CFR 41.50(a)(2)); or (c) a Board of Patent Appeals and Interferences decision that includes a new ground of rejection (37 CFR 41.50(b)).

3. The reply is entered. An explanation of the status of the claims after entry is below or attached.

4. Other:

Claims 104, 109-111, 139, 149-153 and 164-168 are rejected under 35 USC 251 as being an improper recapture of broadened claimed subject matter surrendered in the application for the patent upon which the present issue is based.

Claims 104, 109-111, 139, 149-153 and 164-168 are rejected under 35 USC 103(a) over US 5,030,402 in view of US 3,886,056

The request for an oral hearing before the Board of Patent Appeals and Interferences is noted.

/Susan W Berman/
Primary Examiner
Art Unit: 1796
